Holmen Habit

Tumma suklaa · Kermainen · Pehmeä lakritisi

Toivomme, että meidän Habit tulee olemaan myös sinun tapojasi! Holmen Habit on klassinen pohjois-italialainen espressopaahto. Me Holmen Coffeella tarjoamme lähinnä kahvisekoituksia, jotka paahdetaan vähemmän hapokkaiksi kuin suomalaiset kahvit yleensä. Me paahtimolla pidämme tätä parhaimpana aamunavauksena! Jotkut meistä juovat Habitia koko päivän! Tumma, herkullinen ja erinomaisen hyvä Habit-tapa! Nauttikaa!

Holmen Habit

Dark chocolate · Creamy · Soft licorice

We hope your Habit will be your habit too! Holmen Habit is a classical Northern Italian espresso roast. Our selection covers mainly coffee blends that are roasted less acidic than Finnish coffees on average. We at the roastery find this to be the perfect "kick-start" in the morning! Some of us drink the Habit all day long... Dark, delicious and such a good Habit-habit! All enjoy!
