

SLURP original dark espresso #145

Etiopia Shakisso

Tumma suklaa · Vanilja · Kukkinen

Shakisson tilan omistajan Haile Gebren perhe häädettiin kotitaltaan hänen ollessa 10-vuotias, kun lääninherra halusi, että alueella aletaan massatuottamaan kahvia. Kesti vuosikymmeniä ennen kuin Hailen pahimmasta vihollisestaan kahvista tuli hänen rakkain ystävänsä.

Nykyään Haile Gebre tunnetaan Gujin alueen kummisetänä, joka on viimeisen 20 vuoden aikana niin sanotusti laittanut Gujin kahvin maailmankartan kärkisijoille mitä tulee laatuun. Oli muutama vuosi sitten kunnia nauttia parit oluet itse kummisedän kanssa hänen kotiterassillaan!

Kasvukorkeus: 1800 m
Prosessointi: Washed

SLURP original dark espresso #145

Etiopia Shakisso

Dark chocolate · Vanilla · Floral

The owner of the Shakisso estate, Haile Gebre, was evicted from his home estate along with his family when he was 10-years-old. At the time, the leader of the area wanted the region to start mass producing coffee. It took several decades for Haile's worst enemy, coffee, to become his dearest friend.

Nowadays Haile Gebre is known as the godfather of the Guji region who has helped the coffee of the area gain recognition as one of the world's best when it comes to quality. It was an honor to drink a few beers with the godfather himself a few years ago on his patio!
