

SLURP original light #148

Ruanda Muka Kivu

Sitrushedelmä · Hunaja · Maitosuklaa

Rutsiro District -alueella kasvatettu kahvi tulee Emmanuel ja Christine Rusatiran omistamalta Bugoyin pesuasemalta. Emmanuel on kahviparheestä ja on viime vuosien aikana hankkinut pesuasemia usealta eri alueelta Ruandassa. Vahvan kokemuksen omaavana hän tykkää kokeilla erilaisia tekniikoita kahvin prosessoinnissa. Muka Kivussa on sitrushedelmän, hunajan ja maitosuklaan vivahteita.

Ruanda Muka Kivu

Citrus • Honey • Milk Chocolate

This coffee from Rutsiro District is processed at Bugoyi washing station which is owned by Emmanuel and Christine Rusatira. Emmanuel comes from a family of coffee farmers and in recent years he has been acquiring washing stations from different regions in Rwanda. As a person with solid experience in coffee, he has been testing different techniques in processing. In Muka Kivu, you can taste citrus fruits, honey and milk chocolate.
